TO THOSE receiving this catalogue I wish to say I am confident I am offering you one of the finest collections that can be offered by any one.

Where none are quoted in the hundreds I cannot furnish them only as per catalogue.

Some years ago I placed on the American market Madam Mounet Sully, and from time to time I am placing more of the French varieties on the market. This list contains several new ones, all of which are fine.

You are sure of getting original stock from me.
